

BL05-K LED STICK

MAGNETIC MOUNT

wamco[™]
LIGHTING

INTRODUCTION

Wamco LED Stick series BL05-K is an LED illumination system for interior lighting applications. The BL05-K has 3 CCT options: 3000K, 4000K, 5700K and two standard sizes: 300mm and 1200mm. BL05-K has uniform lighting and can be installed to any steel surface for temporary or permanent use. BL05-K provides many advantages including brilliant light output, significant energy savings, reduced maintenance costs, and easy installation.

FEATURES

- Uniform lighting similar to Florescent tubes
- Simple and quick installation via integrated magnets
- Easy connection between each unit
- 3 Color Temperature options (3000K / 4000K / 5700K)
- 2 standard sizes (300mm / 1200mm)
- High Efficiency (105 lm/W at 5700k)
- Long life time (more than 50,000 hours at L70)
- Safety due to low working voltage (24VDC)
- 3 year warranty

APPLICATIONS

- Path and Cove Lighting
- Shelf Lighting and Interior Decorations
- Metal cabinet interior lighting

CERTIFICATIONS

- CE, RoHS

SPECIFICATIONS

MODEL	CCT	LUM. EFFICACY	LED QUANTITY	INPUT VOL.	POWER	VIEW ANGLE	LUM.FLUX	CRI
WL-B05K04L0300	3000K	92 lm/W	35 pieces	24VDC	4.2W	130°	386lm	Ra80↑
