[TECHNICAL DETAILS](#)

## DESCRIPTION

I found these high-quality battery clips. They're molded plastic so they wont tear like cheap clips, and they cover the battery terminals to prevent shorts.

Comes with a 5.5mm/2.1mm center-positive barrel connector, assembled!

Battery not included

## TECHNICAL DETAILS

Details:

- Length: 17cm(7in)
- Weight: 5.6g/0.2oz

# LEARN
