Warranty	3M Basic Product Warranty

Details

- Includes felt dauber for application.
- Caution: Recommended application temperature 50° to 100° Fahrenheit.
- Do not apply directly to painted surfaces.

Use this product to seal exposed edges of compatible films to help prevent the film from lifting due to environmental exposure or cleaning.

3M™ Edge Sealer helps minimize the adverse effects of rigorous use or prolonged or severe exposure conditions by providing water and contaminant tight seal between a graphic film and substrate.
